NHS Summer Camp

Nell Holcomb School

6547 State Highway 177

May 31-June 24, 2022
Daily from 8:00 a.m. to 3:00 p.m.

For All Nell Holcomb Students in
Kindergarten-Fifth Grade including those students who will be
entering Kindergarten in the fall of 2022.

NHS Summer Camp is designed to provide integrated activities across the curriculum with the focus on reading, math, and science. In addition to the instructional activities provided at school, students will participate in several field trips for an adventure-filled day outside the classroom. The field trip schedule will be provided with your child's confirmation letter. Possible trips may include: Ultimate Air, Cape Water Park, Cape West 14 Movie Theater, Cape Bowling, Lazy L Safari, Bootheel Museum and Cape Conservation Department.

Prizes! Prizes! Prizes! To encourage attendance all students who meet the criteria will be eligible for special prize drawings!!

Frequently Asked Questions:

-How much do fieldtrips cost?

Admission: \$65.00 / this price includes a camp T-shirt.

-Is there bus transportation?

Unfortunately, buses are not available and parents must provide transportation to and from school. Students may be dropped off at the school cafeteria after 7:30 a.m.

-How to Drop Off and Pick Up Your Children?

We will use the same process for dropping off children that we do in the regular school year. You will pick up your children the same place you drop them off.

-What about lunch and breakfast?

Once again breakfast and lunch are available for all children at Camp. Breakfast begins at 7:40 a.m. Students may still bring their lunches if they choose.

A special T-shirt has been designed for NHS Camp.
Because this shirt will distinguish students who are attending our camp from others, you may wish to order more than one so you can wear it often! We would like all students to wear their T-shirt on field trip days.
